Sir,

Government of Andhra Pradesh has revised the Branding Content for printing on jute bags. The revised Branding content received from Govt. of Andhra Pradesh is **enclosed**.

As a number of jute mills have already branded jute bags in advance with old branding contents, Jute Mills are allowed to offer for inspection jute bags with old Branding or the new Branding till 19-09-2019. From 20-09-2019, all jute mills are mandatorily required to print the new Branding as provided by the indenting agency on each bag against all PCSOs on A/c of Andhra Pradesh.

Yours faithfully,
