No. Jute (Mktg)/142/2022-II

Date: 28-08-2025

Sub: Position of backlog of the jute mills

This has reference to this office letter of even number dated 07-08-2025 and letter dated 18-08-2025 on penalty and incentive for Supply Performance of the Jute Mills. In this connection, it is informed that the mill-wise backlog of the PCSOs issued upto 30th June 2025 is provided at **Annexure I**.

Further, the mill-wise backlog of PCSOs issued in July 2025 is provided at **Annexure II**.

It is informed that as per the policy, the jute mills having backlog of PCSOs issued beyond 60 days shall not be considered for PCSO allocation w.e.f. 1st September 2025 until that backlog is cleared. Further, for the backlog beyond 30 days, the mill shall be considered for allocation only if their backlog supply ratio i.e. the ratio of total backlog as on date to the inspections done in the last 30 days is within the cut-off defined as per the policy.

The jute mills are therefore directed to clear their backlog on priority and ensure the supply of the B-Twill jute bags.

This issues with the approval of Jute Commissioner.

Yours faithfully,

(Sourav Mukherjee)
Dy. Director (Marketing)

To
Director,
