No.Jute(Mktg)/113/2016-Amendment

Date: 02-05-2025

To  
All concerned Jute Mills.

Sub: Extension of delivery period for PCSOs (issued between 11-02-2025 to 28-04-2025) issued on A/c of FCI (KMS:2024-25 & RMS 2025-26) & Uttar Pradesh (RMS:2025-26) from and Madhya Pradesh (RMS:2025-26) (issued between 03-12-2024 to 12-03-2025) for supply of 580 Gms B-Twill Bags conforming to IS-16186:2014.

This office vide letters dated 30-04-2025 had granted extension of time for inspection and despatch of leftover quantity **on or before 07-05-2025 in respect of indents meant for FCI and Uttar Pradesh and on or before 12-05-2025 in respect of indents meant for Madhya Pradesh.**

2. It is informed that the procurement operations of foodgrains is ongoing and the supply of B-Twill jute bags received later than the current extension would service little purpose for packaging in the current season.
3. Jute mills are therefore advised to plan their production and so as to ensure that the entire leftover quantity is manufactured and inspected within the revised Delivery Period i.e. 07-05-2025 for FCI & Uttar Pradesh and 12-05-2025 for Madhya Pradesh. It is further reiterated that no request for extension of Delivery Period for inspection shall be entertained by this office.

This issues with the approval of the Jute Commissioner.

Yours faithfully,

(T.K.Mondal)
