ORDER

As per Govt. notification every registered person who causes movement of goods of consignment value exceeding fifty thousand rupees shall furnish information by generating e-way bill electronically on GST Common Portal.

Hence, mills are required to submit downloaded copy of e-way bill (Tax Invoice in all cases) and freight invoice (movement by Rail) generated through GST Common Portal while submitting the bills for payment, so that QR Code of this invoice can be scanned without any problem. It has been observed that in some cases the invoices are so illegible that the QR Code of this invoice can not be read, resulting delay in processing the bill.

Therefore, in order to process the bill smoothly all mills are directed to submit the downloaded invoice with immediate effect.

All other documents as provided with the original bill will remain unaltered.

This issues with the approval of Competent Authority.

To,

ALL Jute Mills.
