To,

All the Registered Importers of Jute and Jute Goods

Subject: Timely Submission of Jute Import Returns and Renewal Application of Import License-reg.

Sir/Madam,

This is with reference to Para 5 of the Jute Import Order 2019, whereby the monthly report in the specified format is required to be filed within 10 working days of completion of the month failing which the registration of importer will be liable to be cancelled without any reference.

2. However, it has been observed that some of the Importers are not submitting monthly import return within the prescribed time limit. The details of such importers with default in submission of monthly returns is listed at Annexure I.

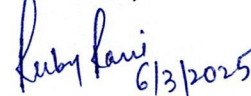

3. A final opportunity is being given to such defaulting importers (listed in **Annexure-I**) to submit the pending import returns latest by 21st March 2025, failing which the Jute Import Registration with o/o Jute Commissioner will be cancelled without any reference.

4. Further, the registered importers, whose import registration with o/o Jute Commissioner has already been expired (listed in **Annexure-II**), are hereby advised to apply for renewal without any further delay. In case no application for renewal is received by 21st March, 2025; it shall be presumed that the entity is currently not importing any jute goods and the same shall be communicated to Customs Department.

5. Further, it is reiterated that renewal application of Jute Import Registration must reach this office atleast two months before the expiry of validity of the registration.

This issues with approval of the Jute Commissioner.

Yours faithfully

6/3/2025
