Sub. Non-submission of Manpower-Productivity Report

Sir,

You are aware that online submission of monthly report comprising three parts, i.e., Jute Consumption-Production Report (JCPR) and Manpower Productivity Report and Raw Jute Report has been made compulsory for allocation of Production Control Orders (PCOs) for manufacturing B.Twill sacking. However it has been observed that your mill has not been submitting the Part B of the said report, i.e. the Manpower-Productivity Report for the last few months because of which your mill is being treated as defaulter and will not be considered for allocation of PCOs in future.

This is issued with the approval of competent authority.

Yours faithfully

(Chandrani Gupta)
Deputy Director (E & F)
