No. Jute (Mktg)/11/2004-V

Dated: 01-11-2018

To
All Jute Mills

Sub: Unsatisfactory supply of B-Twill jute bags.

Sir,

1. Government of Uttarakhand has expressed serious view on unsatisfactory supply position of jute bags. They have placed an indent for 10,032 bales on 09-10-2018. Against the indented quantity, only 2,160 bales have been inspected. They have informed that procurement of foodgrains have already started in their states and non-supply of required quantity of jute bags is going to severely affect the foodgrains procurement operations.
2. If the indented quantity is not supplied within by 7th November, 2018, the indenting agency may approach to the Government for granting relaxation for arrangement of HDPE/PP bags.
3. In view of above all concerned jute mills are directed to give top priority in executing order on account of Uttarakhand so that the entire allocated quantity is inspected and despatched within **07-11-2018** positively.

Yours faithfully,

(Kousik Chakraborty)
Dy. Jute Commissioner
