Res.Sir/Ma'm,

It was requested to you that there is a mismatch of GST input credit & claim for GST as our (District Manager, Pungrain Sangrur) GST Number in July 2017 onwards. It was updated to a new GST number but some Jute mills have mentioned our provisional GST number in their bills and due to this we are not able to match the input credit in our GST return. It is again written to you that last date of any type of correction in GST returns is 31st March, 2019 and after this there will be high interest & penalty may be levied for which following Jute Mills will be held responsible and this will be recoverable from following Mills.
