CLARIFICATION

This office has issued an Order of even number dated 18-06-2021 directing all dealers / traders / agencies / stockists trading with 500 kgs or more quantity of raw jute in a jute year (July-June) to apply to this office for registration. The dealers / traders / agencies / stockists have been directed to apply to this office for registration through 'JUTE SMART' portal and after on-line submission, hardcopy signed/stamped print out to be submitted to this office by post or in person.

2. It is clarified that raw jute growers (farmers) are not required to apply for registration for their own grown raw jute. However, if such farmers desire to stock additional raw jute by purchasing from other sources, they have to register mandatorily.
3. Similarly, manufacturers for Jute Products also need not register under this order, if the stock held by them is commensurate with their production volume.
